

§ 351.4

31 CFR Ch. II (7–1–04 Edition)

Principal amount means the amount of the original investment. Principal amount does not include any interest earned.

Redemption of a book-entry Series EE savings bond refers to payment of principal and accrued interest on the bond at final maturity, or, at the option of the owner, prior to final maturity. The owner of a book-entry savings bond held in New Treasury Direct may redeem all principal and interest or a portion of the principal and the proportionate amount of interest.

Redemption of a definitive Series EE savings bond refers to the payment of principal and accrued interest when the owner presents the bond for payment.

Redemption value means principal plus accrued interest of a Series EE savings bond, as of the date of potential or actual redemption. In the case of a book-entry Series EE savings bond, it also refers to a portion of the principal amount plus a proportionate amount of accrued interest of a bond, as of the date of potential or actual redemption.

Registration of a book-entry Series EE savings bond means that the name and taxpayer identification number (TIN) of all registrants are maintained on our records for a book-entry bond.

Registration of a definitive Series EE savings bond means that the name and TIN of the owner, first-named coowner, or purchaser of a gift bond are imprinted on the face of the bond.

Secondary owner means the second individual named in the registration of a book-entry bond held in New Treasury Direct registered “John Doe SSN 123-45-6789 with Joseph Doe SSN 987-65-4321.” In this example, Joseph Doe is the secondary owner.

Semiannual rate periods or *semiannual earnings periods* are the six-month periods beginning on the issue date and on each semiannual anniversary of the issue date to final maturity.

Series EE savings bond is an accrual-type savings bond, offered at a discount, either in definitive (paper) form or in book-entry form, that pays interest on the principal based on rates determined by Treasury.

Single owner means the person named in the registration of a savings bond

without a coowner, beneficiary or secondary owner.

Taxpayer identification number (TIN) means the identifying number required on tax returns and other documents submitted to the Internal Revenue Service; for example, an individual's social security account number (SSN) or an employer identification number (EIN). A SSN is composed of nine digits separated by two hyphens, for example, 123-45-6789. An EIN is composed of nine digits separated by one hyphen, for example, 12-3456789. The hyphens are an essential part of the numbers.

We, us, or our refers to the agency, the Bureau of the Public Debt. The term extends to the Secretary of the Treasury and the Secretary's delegates at the Treasury Department and Bureau of the Public Debt. The term also extends to any fiscal or financial agent we designate to act on behalf of the United States.

You or your refers to an owner of a Series EE savings bond.

§ 351.4 In what form are Series EE savings bonds issued?

Series EE savings bonds are issued in either book-entry or definitive form.

Subpart B—Maturities, Redemption Values, and Investment Yields of Series EE Savings Bonds

GENERAL PROVISIONS

§ 351.5 What is the maturity period of a Series EE savings bond?

Series EE savings bonds have a total maturity period of 30 years from the issue date, consisting of an original maturity period and one or two periods of extended maturity, which vary depending on the issue date of the bond. The interest on an outstanding bond ceases to accrue 30 years after its issue date.

§ 351.6 When may I redeem my Series EE savings bond?

(a) *Bonds with issue dates on or before January 1, 2003.* You may redeem your Series EE savings bond at any time beginning six months after its issue date.

(b) *Bonds with issue dates on or after February 1, 2003.* You may redeem your
